

The image shows a modern, industrial-style interior space. On the left, a dark metal staircase with a wooden deck and metal railings leads upwards. The walls are a mix of dark wood and large, curved panels of mosaic tiles in various colors and patterns. A long, dark wooden table with a blue and white striped top is set with several light-colored upholstered chairs. A vase of flowers sits on the table. The ceiling is dark with exposed pipes and a series of hanging plants. A large, illuminated mosaic wall panel is visible in the background. The overall atmosphere is warm and creative.

54 About Us

We aim to make the world a more beautiful and special place by making affordable and quality mosaic tiles.

SEVILLA COLLECTION

 Undoubtedly our most popular collection, distinguished by their shape reminiscent of the well-known chocolate bar. After introducing the Kitkat Originals in Europe, they quickly became a favourite! We extended the collection with the Mini's, the fun little siblings, and the striking Oval Fingers. Ideal for curved surfaces like a reception counter or kitchen island, the Kitkats boast a wide range of attractive colours, some with speckles enhancing their already vivid tones.

 Sans aucun doute notre collection la plus populaire, qui se distingue par sa forme rappelant la célèbre barre chocolatée. Après l'introduction des Kitkat Originals en Europe, ils sont rapidement devenus des favoris ! Nous avons élargi la collection avec les Mini's, les petits frères amusants, et les étonnants Oval Fingers. Idéales pour les surfaces incurvées telles que les comptoirs de réception ou les îlots de cuisine, les Kitkats offrent une large gamme de couleurs attrayantes, dont certaines sont mouchetées pour rehausser les tons déjà vifs.

 Zweifellos unsere beliebteste Kollektion, die sich durch ihre Form auszeichnet, die an den bekannten Schokoriegel erinnert. Nachdem wir die Kitkat Originals in Europa eingeführt hatten, wurden sie schnell zu einem Favoriten! Wir haben die Kollektion mit den Mini's, den lustigen kleinen Geschwistern, und den auffälligen Oval Fingers erweitert. Die Kitkats eignen sich ideal für gewölbte Oberflächen wie Empfangstresen oder Kücheninseln und bieten eine breite Palette attraktiver Farben, von denen einige mit Sprengeln versehen sind, die ihre ohnehin schon lebhaften Töne noch verstärken.

FRANK
FRANKIE
CROWLIE

A dog with black and tan fur is lying on a floor made of small, light-colored hexagonal tiles. The floor is decorated with a wide, dark, curved border. Overlaid on the floor is large, bold, black, stylized text that reads "FRANK", "FRANKIE", and "CROWLIE" stacked vertically. The text is written in a thick, brush-like font. The dog's head is in the lower right, and its tail is in the upper left. The overall scene is brightly lit, and the tiles have a subtle pattern.

 The London collection, with its enduring appeal, is suitable for any project. The mosaics boast an R11/C anti-slip rating, making them an excellent choice for high-traffic floors. Not having a glazed top layer that can wear off, these mosaics offer a seamless blend of durability and style. Ideal for creating custom patterns, the collection features several shapes in neutral tones, providing versatile options to elevate any space with a touch of sophistication and practicality.

 La collection London, avec son attrait durable, convient à tous les projets. Les mosaïques ont un indice antidérapant R11/C, ce qui en fait un excellent choix pour les sols très fréquentés. Sans couche supérieure émaillée susceptible de s'user, ces mosaïques offrent un mélange parfait de durabilité et de style. Idéale pour créer des motifs personnalisés, la collection présente plusieurs formes dans des teintes neutres, ce qui offre des options polyvalentes pour enrichir n'importe quel espace d'une touche de sophistication et de praticité.

 Die Kollektion London mit ihrer dauerhaften Anziehungskraft ist für jedes Projekt geeignet. Die Mosaik verfügen über die Rutschfestigkeitsklasse R11/C und sind damit eine ausgezeichnete Wahl für stark beanspruchte Böden. Da sie keine glasierte Deckschicht haben, die sich abnutzen kann, bieten diese Mosaik eine nahtlose Mischung aus Haltbarkeit und Stil. Die Kollektion ist ideal für die Gestaltung individueller Muster und bietet verschiedene Formen in neutralen Tönen, die vielseitige Möglichkeiten bieten, um jeden Raum mit einem Hauch von Raffinesse und Zweckmäßigkeit aufzuwerten.

AMSTERDAM COLLECTION

 Glass mosaics never go out of style, offering a timeless look that effortlessly blends their classic elegance with different design aesthetics. The Amsterdam collection provides this with a range of different looks, like the Gold series with veins of real gold or the Pearl squares. The Amsterdam squares also open up a world of possibilities for custom designs, thanks to their small size, sleek finish and wide range of colours. Please contact us for questions about custom mosaics.

 Les mosaïques de verre ne se démodent jamais, offrant un aspect intemporel qui marie sans effort leur élégance classique à différentes esthétiques de design. La collection Amsterdam offre cette possibilité avec une gamme d'aspects différents, comme la série Gold avec des veines d'or véritable ou les carrés Pearl. Les carrés Amsterdam ouvrent également un monde de possibilités pour les conceptions personnalisées, grâce à leur petite taille, à leur finition élégante et à leur large gamme de couleurs. N'hésitez pas à nous contacter pour toute question concernant les mosaïques personnalisées.

 Glasmosaik werden nie Altmodisch. Sie bieten einen zeitlosen Look, der ihre klassische Eleganz mühelos mit verschiedenen Designästhetiken verbindet. Die Amsterdam-Kollektion bietet dies mit einer Reihe von verschiedenen Looks, wie der Gold-Serie mit Adern aus echtem Gold oder den Pearl-Quadraten. Die Amsterdam-Quadrate eröffnen dank ihrer geringen Größe, der eleganten Verarbeitung und der großen Farbpalette auch eine Welt der Möglichkeiten für individuelle Designs.  Small penny rounds take the centre stage in our Venice mosaic collection. The cute little buttons offer a fun and charming shape within our full range and are perfect for curved surfaces due to their size. Available in subtle tones for minimalistic designs and vibrant colours for more outspoken interiors, with both matt and glossy finishes as well as a delightful mix. And what about the metallic bronze penny round adding a touch of luxury to any design.

 Les petites pièces rondes sont au centre de notre collection de mosaïques de Venise. Ces mignons petits boutons offrent une forme amusante et charmante dans notre gamme complète et sont parfaits pour les surfaces incurvées grâce à leur taille. Disponibles dans des tons subtils pour les designs minimalistes et dans des couleurs vibrantes pour les intérieurs plus audacieux, avec des finitions mates et brillantes ainsi qu'un délicieux mélange. Enfin, le penny rond en bronze métallisé apporte une touche de luxe à tout design.

 Kleine runde Penny-Knöpfe stehen im Mittelpunkt unserer Mosaik-Kollektion Venice. Die niedlichen kleinen Knöpfe bieten eine lustige und charmante Form innerhalb unseres gesamten Sortiments und sind aufgrund ihrer Größe perfekt für gebogene Oberflächen geeignet. Erhältlich in dezenten Tönen für minimalistische Designs und in leuchtenden Farben für ausgefallener Interieurs, sowohl in matter als auch in glänzender Ausführung und in einem reizvollen Mix. Und wie wäre es mit dem bronzefarbenen Penny Round, der jedem Design einen Hauch von Luxus verleiht?

NATURAL STONE

 Indulge in the tranquillity of our Nature Stone collection, featuring three shapes crafted from marble or river stone. The neutral tones radiate a soothing natural ambiance, infusing spaces with warmth, calmness, and a rustic vibe. Ideal for minimalist designs or spaces like bathrooms, where relaxation is most important. These mosaics elevate design aesthetics while creating a serene atmosphere that invites for you to unwind and embrace nature-inspired elegance.

 Laissez-vous séduire par la tranquillité de notre collection Nature Stone, qui comprend trois formes fabriquées avec du marbre ou de la pierre de rivière. Les tons neutres dégagent une ambiance naturelle apaisante, insufflant aux espaces chaleur, calme et ambiance rustique. Idéales pour les designs minimalistes ou les espaces tels que les salles de bains, où la tranquillité est importante. Ces mosaïques élèvent l'esthétique du design tout en créant une atmosphère sereine qui vous invite à vous détendre et à embrasser l'élégance inspirée par la nature.

 Genießen Sie die Ruhe unserer Nature Stone-Kollektion, die drei Formen aus Marmor oder Flussstein umfasst. Die neutralen Töne strahlen ein beruhigendes, natürliches Ambiente aus und verleihen Räumen Wärme, Ruhe und eine rustikale Ausstrahlung. Ideal für minimalistische Designs oder Räume wie Badezimmer, in denen Entspannung am wichtigsten ist. Diese Mosaiken werten die Ästhetik des Designs auf und schaffen eine ruhige Atmosphäre, die zum Entspannen einlädt und eine von der Natur inspirierte Eleganz ausstrahlt.

Natural stone mosaics on mesh

Series	Type	Tile Size	Joint Size	Sheet Size	Sheets / Carton	M2 / Carton
Natural Stone	Square	15x15x8 mm	2,5 mm	302x302 mm	11	1,0
	Pebbles			305x300 mm	11	1,0
	Riverstone			305x300 mm	11	1,0

Appliance: Natural stone mosaics can be applied on walls and floors of barefoot areas, like the bathroom. Be aware they require regular maintenance.

Glass mosaics on mesh

Series	Type	Tile Size	Joint Size	Sheet Size	Sheets / Carton	M2 / Carton
Amsterdam	Square	20x20x4 mm	1,5 mm	322x322 mm	10	1,04
Valencia***	Hexagon	43x50x5 mm	3,0 mm	276x329 mm	11	1,00

Appliance: The Amsterdam and matt Valencia mosaics can be applied on walls and floors of barefoot areas, like a bathroom. The Valencia mix can only be applied on walls.

Metallic: The metallic mosaics are not resistant to acids and aggressive cleaning agents. Therefore, only clean with a damp cloth. We do not recommend to install the mosaics in a wet room/space or on a kitchen backsplash. When the tiles turn black this will be irreparable which is not covered by the guarantee.

*****Valencia:** Part of the charm of the Valencia collection is that sheets are never perfect. Due to the production process grout sizes vary within a sheet. To solve large differences, you can slightly reposition an individual Valencia hexagon by cutting off the connecting glue. Always use a water-cooled diamond saw for processing Valencia mosaics to prevent breakage. The Valencia Marble Print mosaics are also different in tile size: 44x50x5mm.

Picking the right grout is just as important as the mosaics themselves. We can't decide the grout colour for you, as this is subject to your taste. However, we made a list for our full range with grout colour suggestions for each mosaic tile.
